12v Car Charger and Adapter for PSP

Model : -

Manufacturer : Dragon

Charge and/or Power your PSP on the move! ideal for long journeys or just for topping up your battery on the way home from work. Simply plugs into the cigarette lighter socket of your car, a blue LED indication informs you of the status of the charger. Also powers the PSP, giving a full brightness screen (as when connected to an AC adapter) without draining battery capacity at all.

Features:

Charge your PSP from your cars 12v cigarette lighter socket

Power your PSP from your cars 12v cigarette lighter socket

Blue LED indicator

Simple to use

Keep your PSP well charged whilst on the move.

Price : £4.90 (inc.) £4.17 (ex.)
