Dead to Rights - PSP (US)

Model : -

Manufacturer : Namco

Fearless beat cop, Jack Slate is back in a hardboiled action adventure that blends the best of Hollywood cinematic style with Hong Kong inspired action. For the first time, Dead to Rights goes mobile, bringing its high octane brand of gritty noir action onto the Sony PSP. Featuring a new storyline, as well as new moves, weapons, and features, Dead to Rights is packed with action. Someone has kidnapped an essential informant in a high profile investigation of an untouchable crime lord called, Whisper. Jack, and his trusted K-9 partner, Shadow, return to navigate the corrupt underworld of Grant City and go bullet-to-bullet with an army of hostile gang members to rescue the lost informant before it's too late.

Features:

Dead to Rights has gone mobile! – Gritty beat cop, Jack Slate is back in an all-new, hardboiled action adventure for the Sony PSP

High-adrenaline gameplay, cutting-edge graphics, intricate level design, special effects, 3-D audio design, and sophisticated enemy AI push the limits of Sony PSP technology

New immersive storyline, new weapons, new lethal disarms, new hardware – Dead to Rights style!

Trusty dog Shadow returns! – Send Shadow in to wrestle enemies to the ground and finish the attack

Go head-to-head with your friends – wireless multiplayer DeathMatch gameplay adds hours of replay value

The perfect mix of mayhem! – Slow-motion choreographed dives, hardcore melee fighting, devastating disarms and super slick kill moves

Advanced camera system – takes full advantage of the PSP widescreen, allowing players to simultaneously track multiple enemies.

US Version, Full English Language, Compatible with all PSP consoles worldwide.

Price : £34.90 (inc.) £29.70 (ex.)
